More Income ... More Profit ... For You

THREE DIVERSIFIED PROGRAMS FOR YOUR VARIED OBJECTIVES

—For Backlog Investments
—For Appreciation with Income
—Low Priced Shares for Large Percentage Growth

The Investment and Business Forecast brings you three, prudently diversified programs to meet your every objective. All are provided under your single enrollment.

ADDED FEATURES INCLUDE . . .

Consultation by Wire and by Mail . . . *To keep your portfolio on a sound basis, you may consult us on 12 listed securities at a time . . . by wire and by mail.*

Business Service . . . *Weekly review and forecast of vital happenings as they govern the outlook for business and individual industries.*

Washington Letter . . . *"Ahead-of-the-news" weekly reports from our special correspondent on legislative and political developments weighing their effects on business and securities.*

ENROLL NOW TO SHARE IN OUR NEW CAMPAIGNS

Join our service now so that you will be able to participate in our stock selections for ABOVE AVERAGE INCOME AND PROFIT. We will send you immediately the names of our five current recommendations and our coming buying advices as they are issued.

AND, if you will send us full data on your present holdings and cash position you will receive our advice at once—WHAT TO SELL—WHAT TO HOLD. You are invited to take advantage of our Special Enrollment Offer which provides FREE SERVICE to November 18th. *Mail the coupon below . . . today.*

IN SPECIAL OPPORTUNITIES SELECTED THROUGH OUR CRITICAL TESTS...

Now you can join our new market campaigns and take sound, aggressive steps to increase your capital and income.

Five situations of unusual promise have been confidentially recommended to our clients . . . combining sound elements of safety, secure income and attractive growth prospects.

1. *Temporarily depressed stock — 6.6% income — good earnings — dividend record — 12 points below 1951 high.*
2. *Investment growth stock — yield 4.08% plus stock — 15% below 1951 high.*
3. *Stock dividend payer — 6% yield — 1952 income up — 19 points under '46 high.*
4. *Undervalued issue — 5.6% return — increased 1952 sales — impressive finances.*
5. *High grade equity — 5.85% yield — steady income rise — strong profit prospects.*

. . . And, at individual bargain levels, we will make further judicious selections including medium and low-priced stocks, which should be among coming market leaders . . . to round out our three diversified investments programs.
